

# The Great Black Wall

Once upon a long time ago there was a great land a land with a huge black wall that surrounded the entire country. This land was called “Enmity” and the great black wall “Sins Death Law”! Those living in the land of Enmity were called “Flesh” because they had no peace, like a great sea raging in a storm tossed about in fear, suspicion, and hatred for the great king living behind the wall of Sins Death Law.

Many of the people in the land of Enmity tried to climb over the wall of Sins Death Law, but as high as they could go the wall Sins Death Law would go higher. And as far as they go the wall Sins Death Law would go further. And some of these people called Flesh tried walking right through the wall of Sins Death Law only to look foolish and be knocked down. So many thought the world ended at the great wall of Sin Death Law.

Many legends and tales were told about this great wall, most of them were about the harsh hard king that lived on the other side of the wall Sins Death Law. The people of Enmity gave this king a name, “King Judgment” and his kingdom “Condemnation” and the city he lived in they called “Hades”. No one had ever saw this King Judgment, but all lived in fear of him because there was a group in charge of writings and history about this king; they were called “Hypocrites”. Now these Hypocrites claimed perfect knowledge of the King Judgment, and anyone that disagreed with their ideas were put too death in the Kings name of Judgment.

Some people living in the land of Enmity claim to know King Judgment personally and they were called them “Evidence Not Seen” because they claimed to see through the great wall of Sins Death Law into the Kings land Condemnation. But all the Evidence Not Seen had the same story about the King Judgment that he actually lived in a place called Paradise and not in a land of Condemnation, and His city was called Life not Hades.

This talked angered the Hypocrites very much and they would not let the Evidence Not Seen into their city called “Sodom and Gomorrah” all of the Evidence Not Seen who were caught in the city of Sodom and Gomorrah were killed. So there was no hope for anyone living in the land of Enmity their lives were a heavy judgment because of the Great Black Wall called Sins Death Law.

The people called Flesh would go to the Great Black Wall Sins Death Law and to speak to King Judgment, but when they look into the wall all they’d see was their own faces looking back at them. So whatever they said to King Judgment was like talking too themselves; their words bounced right off the wall onto them. For this reason most had stopped talking to the King altogether because every word they spoke came back to them as Sins Death Law? Their words fail on death ears, their own ears, and the Kings Judgment verdict was always the same, Condemnation, Death, and Hades. And for this very reason the people called the wall Sins Death Law and the King’s Judgment, his Kingdom Condemnation, and his city Hades.

And this was also why the group called Hypocrites was formed; they claimed that through certain works of their writings called “Works of Law” they could speak to King Judgment. And by these Works of Law they were able to looked through the wall Sins Death Law not seeing their faces reflecting back too them, but instead Kings Judgments would talk to them.

This made them the spokesman for King Judgment, which also gave them great power and a special position over the people of the land Enmity. Their stories and writings about this King Judgment were written in secret laws that only they could unlock. And by this deep knowledge of King Judgment these Hypocrites claimed to be able to go down into the deepest sea and up to the highest heavens to get secret knowledge of King’s Judgment so they alone could help the people of Flesh understand King Judgment.

The people called Evidence Not Seen did not believe the teachings of the Hypocrites they claimed that when a Hypocrite looks into the wall of Sins Death Law they saw the same thing as do the people of Flesh; their own face reflected back at them from Sins Death Law. And this is why they called these teachers Hypocrites because they lied too the people of Flesh about not seeing their faces looking back at them.

The Evidence Not Seen believed no one could get out of the land of Enmity through the Hypocrites Works of Law. But they had hope that one day King Judgment would send someone to tear down the great wall Sin Death Law. This chosen one would be able to walk right through the wall of Sins Death Law and lead the people called Flesh out of the land Enmity into Paradise to the city of Life, and this is why they were called Evidence Not Seen.

One day a light came into the land of Enmity, the King had been preparing away of salvation for the people of Flesh so that could see him and know him and at last bring peace to their land of Enmity. King Judgment sent his very own Son to help the people of Enmity; he was full of kindness, truth, and grace, unlike the Hypocrites. What he spoke was beautiful about the love of his father for the people of Enmity.

The Hypocrites hated the Kings Son because he did not need their Works of Law to understand King Judgment. The Hypocrites kept the people under control through fearful thoughts of the Kings Judgment, but the Kings Son was telling the people called Flesh that his father was actually love, life, and forgiveness.

So the people called the Kings Son “Truth and Grace” and his Father “Love and Mercy”. But the Hypocrites said that this man called Truth and Grace violated their Works of Law and he was liable to death! Truth and Grace was hurt by these harsh words so he said:

“For you look into the walls Sins Death Law through Hypocrites Works of Law you receive the same judgment!”

Then he said to the people: “Stop judging and you won’t be judge for you are seeing your own face in the Great Black wall of Sins Death Law. You are receiving the judgment you measure out and this includes the Hypocrite”.

Now the Hypocrites heard these words and they wanted to kill him all the more. So they told the people that if they listened to the words of Truth and Grace; King Judgment would put them in the land of Condemnation, and destroy them in the City of Hades; for without their Works of Laws they were an unclean people cursed by King Judgment.

But Truth and Grace said that they were a curse people because they looked into the Great Black Wall of Sins Death Law; his father was good and loving and he was the only way out of the curse. That he would become the door leading into his fathers City of Life. He would make a way out for them for all those believing in his words they too could walk right through the wall into Paradise with him.

The Hypocrites called his words foolish and said he was a cursed person having demons, a mad man, no one had every walked through the wall of Sins Death Law, it was humanly impossible for the people called Flesh to do so.

But Truth and Grace said that not only would he walk through the wall of Sins Death Law in his flesh; he would also tear down the great wall down in 3-days and free all the people of the Land of Enmity. But he gave this warning to those he would free: saying: “the people out of fear will build yet another wall bigger and better and call It “Works of Law”, but it will be an illusion of the Great Black Wall Sins Death Law, which I will tear down, and this wall will become a great mystery that blinds all the people called Flesh.

Well this caused much fear in those listening to his words. So he said to them: “Have no fear I will send you a friend he will help you always to see through the illusion of Works of Law, reminding you that our Great King is Love not judgment.

And he called this friend “Truth and Spirit” and through this friend they would always be connected to King Love and know the truth about him.

From these words the fear of the Hypocrites became so great that they would lose their power and kingdom over the people they killed Truth and Grace, and hung his body upon The Great Black Wall of Sins Death Law.

But when his blood touched the wall, the wall fell in a great crash to the ground causing a huge earth quake which shook the land of Enmity as never before in all of its history.

Freedom at last come to the land of Enmity, and King Love sent the promised friend Truth and Spirit, and he was telling the people that they were in the City of Life already through the blood of his King’s Son Truth and Grace. He tore down the Great Black Wall called Sins Death Law; the wall that created their land of Enmity.

No more was their a land of Enmity, and finally at long last there was peace with the Great King Love, provided the people walked in Truth and Spirit, and did not build the wall illusion through the Hypocrites Works of Law again.

Glory of glory Truth and Grace was a live! He stood in their mist; telling the people all the things about his Father King Love. And without the Great Black Wall of Sins Death Law the people saw their faces no more in judgment. Instead they saw now the face of Truth and Grace reflecting mercy, kindness, love, and forgiveness towards them.

And so they went throughout all the land preaching the good news about Truth and Grace with the help of the Kings friend Spirit and Truth. But again darkness was to over come the land because of the Hypocrites Works of Law. Like weeds sown over a great field of fine wheat choking out the Kings love for the people by the Hypocrites Works of Law.

This time though the wall would no longer be Sins Death Law, but an illusion of it through the Hypocrites Works of Law. And the land would no longer be called Enmity, but “Babylon The Great Mystery” because you see when Hypocrites Works of Law mixes with Spirit and Truth it creates confusion and babble when who ever speak about Truth and Grace, and his King Love.

The great land Enmity was now Babylon the Great Mystery it became the land of confusion and darkness where the people called Flesh could justify their every evil thought and actions by drinking a sweet wine called “Harlot”.

This wine was called Harlot because it was not pure, but polluted with Works of Law mixed into the waters of Truth and Spirit. Nothing good and honorable could be produced from drinking the wine Harlot; just badness and the illusion of Truth and Grace under Works of Law.

So in this way the people stayed drunk all the time and they lived as the people of Flesh had in the land of Enmity. However, the illusion and part of the Great Mystery for those drinking the wine was they believed they were walking in Spirit and Truth and were still under Truth and Grace. But all the while they were drunk on the wine Harlot, which cause them only confusion about the kingdom of Kings Love. In truth they were just like the people of Enmity, blinded by the Hypocrites, and condemned, but this time not by the Great Black Wall of Sins Death Law, but rather from the Hypocrites Works of Law.

Now King Love was faithful and all those loving him were likewise faithful; they believed in the words of Truth and Grace and they would not mix his words with the Hypocrites Works of Law because it made them so drunk they could not trust in Truth and Grace. And much worst is the fact the wine itself was called Harlot! How could a faithful person walk in Spirit and Truth and drink Harlot without dishonoring what King Love did for them in the land of Enmity through his Son Truth and Grace?

So because of this wine Harlot the land of Babylon The Great Mystery was full of sexual immorality, hatred, fear, division, darkness, and oppression, just like the land of Enmity, but worst, the people didn't believe it was real. The people of Flesh thought it was a mystery an illusion, so none of them believed they were in the land of Babylon The Great Mystery.

Their drinking the wine Harlot caused them to believe the wall of Sins Death Law was no more, yet it was still there by its principles. In this way they could do the Hypocrites Works of Law and earn their way into the City of Life, all the while claiming Truth and Grace as their King?

Truth and Grace kept his promise through his friend Spirit and Truth just like he said he would; "Spirit and Truth would always be among you if you believed my words".

But actually only a very few did believe in his words and these Truth and Grace called "Virgins" because they never willingly drank from the cup of wine Harlot. Although they were hated by the people called Flesh who drank the wine Harlot just as the Evidence Not Seen were hated in the land of Enmity. The Virgins always spoke truth about the King and his Son and by this they proved they were the King's Virgins.

The teachers of the land Babylon the Great Mystery, would befriend and steals these Virgins words about King Love and His Son Truth and Grace, claiming them as their own, but actually they were stolen and mixes into their Works of Law.

This empowered them over the people called Flesh just as it had in the land of Enmity. This empire of Babylon the Great Mystery became filthy rich because people of Flesh loved it so much; they could practice sin and they were no longer condemned by looking into the Great Black Wall Sins Death Law, for they were too drunk with the wine Harlot to see any thing let alone their faces staring back at them. And it was true they were no longer judged by The Great Black Wall Sins Death Law, but an illusion of the wall now called Works of Law.

It was but it wasn't this created on big problem their lives were plagued with all the judgments from the Great Black Wall Sins Death Law. However, because they were drunk from the wine Harlot it became a part of great mystery as to why they were being plagued? This wine Harlot made them believe they were favored by King Love and still under Truth and Grace Blood. So the big question was how could they be plagued and loved by the King? So this was their illusion, confusion, and their great mystery?

So their minister Hypocrites spoke smooth sweet words to the people of flesh to help them with the pains of their many plagues, and for this reason the people changed the names of the Hypocrites to "Ear Ticklers". The Ear Ticklers told the people big fat lies they would say the people were not plagued by King Love. He loved them despite their bad fruitage their bad fruitage would be made good fruitage if they obeyed their Works of Law with greater zeal.

However, their lies and sweet smooth words did not help one bit, the people were still plagued terribly, and the more they applied Works of Law the worst their problems got; it was just like the land of Enmity when looking into the Great Black Wall!

And sadly none of them could truly change their sinful nature as they knew King Love wanted them to do for sending them his Son Truth and Grace that saved them out of the land of Enmity; freeing them from the judgment of the Great Black Wall Sins Death Law.

You see there was another mystery that not even the ministers called Ear Ticklers in the land of Babylon the Great Mystery could understand?

But this great mystery was from King Love through his Son Truth and Grace. And his greatest of all mystery was found in the friend called Truth and Spirit. You see, he could not be corruptible because he came through Truth and Grace, why? Well, Truth and Grace could not be corrupted either since His Father raised him from the dead!

His Father King Love gave Truth and Grace the gift of incorruptible life. Still another part of the great mystery for the people of Flesh was they must put totally faith in Truth and Grace, and not listen to the words of the Hypocrites/Ear Ticklers Works of Law. They had to do this if they wanted to come out of Babylon the Great Mystery. For one little drop of Works of Law mixed with Truth and Spirit made a whole cup of the wine Harlot. And this made them so drunk they could not understand Truth and Grace at all.

Their drunkenness caused them to see the words of Truth and Grace as foolish and weak. So it left them with on way out of the confusion unless they stop drinking the wine Harlot, and put all their trust in Truth and Grace.

Once the people of Flesh sobered up they could stop justifying themselves by Hypocrites Works of Law. But if the justify themselves through the Hypocrites Works of Law it put them right back in the land of Enmity peering into the illusion of the Great Black Wall of Sins Death Law. Although it had been removed by Truth and Grace, its illusion was just as powerful for judgment as The Great Black Wall.

You see what the people of Flesh dwelling in the land of Babylon The Great Mystery did not know all their land was all an illusion and their wine called Harlot was made by a woman, yes, a woman who was a harlot called “Religion”; and she was drunk all time from drink human blood!

Yes, she drank human blood, the blood of the Kings Virgins, who she had killed by her Works of Law. She believed if she drank their blood of she would be favored by King Son - Truth and Grace.

You see, Truth and Grace had told the people of Flesh in the land of Enmity they must drink his blood and eat his flesh if they wanted to live with him in the City of life.

In other words, if the people of Flesh believed in him and his words they were eating his flesh and drank his blood. And by this the Great Black Wall of Sins Death Law would be removed for them. And because they ate his flesh and drinking his blood they would be like him and become a part of him. They would be loved by his father and be life like Truth and Grace is life..

So this is why the great Harlot drank the blood of the King's Virgins. She killed them drink their blood and steal their words. Thinking she would gain life and be a part of the body of Truth and Grace!

But she was a harlot she could never become part of Truth and Grace. However, she didn't care in her mind by drinking the blood of the King's Virgins it would make her Truth and Grace some how in her drunken sick mind become the wife of Truth and Grace a Mysterious Queen a Virgin.

Nevertheless their blood just made her drunk and sick, soon she would vomit the blood of the Virgin up and the entire world would see her disgusting drunkenness in the land of Babylon The Great Mystery.

One day one of the Kings virgins who had come out of Babylon the Great Mystery was on his way to the Kings Marriage feast when an Ear Ticklers of Babylon the Great Mystery shouted: "Stop! Why are you leaving our fair and rich city?"

"Well said the Virgin; I have an important date." "What could be more important then drinking the wine of Harlots?" said the Ear Tickler. "Well my friend I stop drinking the wine of Harlot's many years ago when I started walking in Spirit and Truth." The Virgin replied.

"That is dangerous, said the Ear Tickler, Spirit and Truth is good, but more is needed religion must control the bad actions of people through Works of Law".

The Virgin then said: “So you are still judged by the Great Black Wall of Sins Death Law?” “Oh no, we have been freed through the death of Truth and Grace, he tore down the Great Black wall and it no longer exist.” Said Ear Tickler.

The Virgin then said: “So then you are in the City of Life with me?” “Well not exactly, said the Ear Tickler; there is a little more too it then that, you must also have Works of Law and perform them perfectly to get into the City of Life, it is a narrow and cramped road, and this is why we have built this huge wall around our fair land Babylon The Great Mystery.”

“Oh I see said the Virgin, sounds like an illusion too me!” “No, it not! It is not the Great Black Wall Sins Death Law, it is but the principles of the wall Sins Death Law, Truth and Grace only fulfilled the Sins Death Law he did not destroy it’s principles they must be kept with vigor!”

The Virgin then said: “I don’t see a wall around your city of Babylon The Great Mystery?” The Ear Tickler then said: “The wall is as high as you can see it reaches to the throne of the King Love and it is a deep as the greatest sea, and it stretches in all direction as far as you can see. There is no end too the Wall of Works of Law.”

The Virgin then said: “Is that why all the people of Flesh speak babble and live in confusion, fight among themselves over King Love and Truth and Grace?”

“No we don’t fight we have perfect peace, its those that don’t apply Works of Law enough in their lives within our fair city that causes all the problems.” Said Ear Tickler.

“Why then to you have so many sects of religious teaching in the same city if they are not fighting among themselves like dogs of the flesh?” Ear Tickler said: “you are a man of hard words we speak smooth sweet words of love.” The Virgin then said: “The flesh is of no use at all we must worship in Truth and Spirit.

The Ear Tickler then said: “We do both we need Works of Law to control the worship of Truth and Spirit. The Virgin said: “There is no Law against Truth and Spirit how can you control the wind it blows where it wants? Well the Ear Tickler said: do you want people to do what ever evil they want without Law”?”

The Virgin said: “Did the Great Black Wall of Sins Law control Truth and Grace or did he walk right through it? Did Truth and Grace promote lawlessness in tearing down the Great Black Wall creating the Land of Enmity?”

The Ear Tickler said: “don’t get confused here we are not talking about the Great Black wall we are just using the principles of the Great Black Wall in controlling the people of our fair and beautiful city.” So the Virgin said: “Why do your people have to be control if they have Spirit and Truth written in their hearts as Truth and Grace promised?”

Well said the Ear Tickler in a haughty voice: “We must make sure no one reproaches our religions if there is no fear of Works of Law they will show contempt for King Love.”

The Virgin then said: “Who appointed the Ear Tickler judges over their brothers and sister Truth and Grace Judged no one according to the Great Black Wall of Sins Death Law. “We don’t judge by Sins Death Laws just the principles of Sins Death Law. The Virgin said: “Sir please explains the difference is the two judgments?” The Ear Tickler said: What? Are you a lawless fool that wants people to continue is sin with no control?”

The Virgin said: “So when does a principle become a Law, being a teacher of the Works of Law?” “It never does; say the Ear Tickler; the Great Black Wall of Sins Death Law was removed by Truth and Grace. “I see said the Virgin, can a person be condemned under your Works of Law being that its not really Great Black Wall of Sins Death Law”?”

“Well of course there has to be punishment for sin.” I see said the Virgin, what is the penalty for sinning against the Works of Law can it be death? “Well said the Ear Tickler it can be if the sin is great enough”?

The Virgin: “what might that sin be?” “Well like murder said the Ear Tickler or Apostasy” “I see said the Virgin that sounds like the Old Black Wall of Sins Death Law it had the same punishment for the same crimes against King Love, who was then known as King Judgment by you Hypocrites?”

“Well it sounds the same but they are different the Great Black Wall of Sins Death Law was tore down by Truth and Grace and we in our fair city live by Truth and Grace words.”

The Virgin then said: “Your Works of Law Wall around your city is an illusion of the Great Black Wall Sin Death Law it does not exist accept if a person drinks the wine Harlot”.

“Yes it does we built it with our own hands it protects us so we may live a life of peace and comfort in this world. It protects us from evil inside and outside.”

“So let see if I got it right Mr. Ear Tickler you’ve taken the principle of the Great Black Wall of Sin Death Law and constructed a new wall of Works of Law”

Yes! Are you death? I been saying that from start that exactly what we’ve done.”

“Well, said the Virgin then you’ve taken a perfect wall King Love built with His own hands and replaced it with a wall built with man’s hands how is that better?” “Well, ah I never thought about it that way, but the principles are as good as the real wall”.

“That right said the Virgin there really is no difference unless you’re drinking something that make you believe in illusion.” “Well now you wait there a minute mister I am not going to deny my faith for your tricky tongue, our Works of Law are good and righteous as the Great Black Wall Truth and Grace tore down”.

“Well said the Virgin, why did Truth and Grace tear down the Great Black Wall?” “Ah, I not certain about that, I guess because it divided people from King Love through the Land of Enmity?” “I see said the Virgin your right but why was King Judgment name changed to King Love after the wall was tore down?”

“Well said the Ear Tickler, the people of Enmity could finally see that the King Judgment was no longer judging them by the Great Black Wall Sin Death Law”. Virgin: “Your correct again, how do the people of your fair city see King Love now - as Judgment or Love?”

“Ah, hum, ah a guess as judgment.” So you have rebuilt the wall Truth and Grace tore down with His life through Works of Law.” “Ah now wait a minute you tricked me again I did not say that, I live by Works of Law.”

No you don’t said Virgin you live a lie just like the Hypocrites did in the Land of Enmity because no one can live perfectly under the Sin Death Law without being condemn by it principles you worship.”

“But sir we have too have Law!” We do have Ear Tickler the Law of King Love, love, which completes Sin Death Law. We want to live according to Love Law we don’t have to be made too live under Love Law.

Ear Tickler: “I never heard this before I am not sure I understand it, but sounds right.” “Well said the Virgin sober up, stop drinking the Harlots wine and it will ring with love and truth into your very soul.”

Ear Tickler: “you mean we don’t need Law telling us what to think and do every minute of every day?”

Virgin: “No it is written in our hearts by the promise friend Truth and Spirit, he showed us we have been forgiven for our sins against The Great Black Wall by King Love Son Truth and Grace, and that we are no longer judged my Sin Death Law.

It sound well too easy; won't we lose all of are great fair city if we let people go without controlling them through Works of Law?” “Well said Virgin they don't belong too your city anyway they belong to the city of King Love you're just there to help them find their way home.”

“Wow said Ear Tickler, that too much I don't think I can do that it pretty fearful just believing in King Love's, love, without working too prove I am worthy. Virgin: Come with me let me show you the truth about the Great Black Wall Sin Death Law”.

They both went out to the Great illusion Wall Works of Law by now Ear Tickler had sober up from his conversation with King Loves Virgin through Spirit and Truth.

The Virgin in Spirit and Truth walked right through Works of Law he pulled Ear Tickler with him. Ear Tickler said; “How did you do that you can't just walk through this great wall?” The Virgin said: “Didn't Truth and Grace walk through The Great Black Wall?” “Yes, but your not him no one can be him on earth.” Virgin: “Your right, but he is in me and I am part of him so all that he does I can do also through Truth and Spirit.”

This frighten Ear Tickler very much he was shaking and could not talk, once through the Wall Works of Law they came to the Great Black Wall Sins Death Law. Ear Tickler said: “I thought it was gone Truth and Grace tore it down didn't he?”

Virgin said: “Look into the Wall what do you see?” Ear Tickler slowly approached the wall he had only heard about this Great Black Wall it had long been tore down by the time he was born. When he looked into the wall he saw his own facing staring back at him and it was full of hate. Ear Tickler said: “that's me, but its not me I am so angry looking,

Virgin: “that is your true heart condition without Love and that the judgment you have in your heart, you see in your own face in the Great Black Wall.” “What? Ear Tickler, I am fearful of my own heart please let get out of here.” Virgin: “that is the point the Great Black Wall Sin Death Law was built by King Love so we could see our truth heart condition no matter how good we think we are; our real heart condition is reflexes in the Great Black Wall Sin Death Law.

Ear Tickler: “I am still fearful this is too much truth I am as good as dead in the sight of King Love. Virgin: “we are all dead when we peer into the Great Black Wall and it is a fearful thing because there are no works of law that can justify our true heart condition”. Ear Tickler: “What can we do - it is hopeless?”

Virgin: “Your right my friend, we must have someone that is righteous that can walk through the wall substitute their righteousness for us.” Ear Tickler; “You mean someone like Truth and Grace?” Virgin: Exactly, that is what he has done of us; so do you now accept Truth and Grace and him alone as your savior?”

Ear Tickler: “I am fearful, but yes I want to have that kind of faith. Virgin: Be in peace my friend; now look into the Great Black Wall Sins Death Law again. Ear Tickler weak knee struggled to get the strength and courage to look again into the wall, and when he did, he no longer saw his angry face but the face of Truth and Grace looking at him in mercy, kindness, and love. Virgin: “you have be acquitted of your sin producing death by the Great Black Wall freed from Works of Law you are now in the city of King Love no longer a prisoner in city of Babylon the Great Mystery.

Ear Tickler; “Lord Truth and Grace I have sinned and you have been merciful too me a sinner deserving death”. Virgin: “

You must always remember my dear friend that you are now a Virgin; you cannot go back to Works of Law you must stay under Truth and Grace and walk in Spirit and Truth or you will find yourself once again captive in Babylon the Great Mystery; drunk with the blood of the Holy ones.”

New Virgin: What is to happen to that Great City Babylon the Mystery for all of its sins against King Love and His many children?” Old Virgin: “One day soon King Love takes away her wine of Harlots she sobers up and all the people of Her Great Mystery with her. They will see the illusion of Works of Law that it is nothing but the judgment by The Great Black Wall of Sin Death Law. And all the hate from The Great Black Wall is still in their hearts through Works of Law it did not take it away as they were too drunk to believe. It isn’t, but yet it is nothing more then an illusion a lie a drunken mystery.

New Virgin: “Oh no not that all those thousands of years of hate that King Love Son would of gladly taken away is still in their hearts?” Old Virgin: “Yes, my new friend the justice of The Great Black Wall Sin Death Law: “what you judge will be your judgment”. Too bad, too bad you great city your judgment has come in one hour.”
